

The Third Annual Grattan Fun Fest Wine Cellar!

Back by popular demand, we will again be offering two lots of 50 bottles of wine for two lucky winners at our annual Fun Fest on May 7th. In 2010, the wine cellar giveaways raised over \$12,400 to support programs at Grattan, including the technology lab, gardening and class size reduction.

Tickets for the cellars (and other great prizes) will be sold in advance beginning in late March or early April and will be \$20 each or 6 for \$100.

In order to make the wine cellars a reality, we ask Grattan families to donate one bottle of wine valued at \$15 or more or use the Opt-out option below. The wines can be white, red, rose or bubbly and can be from anywhere—from California to New York, France to Spain, Italy to Australia (even Oregon, Hawaii or New Mexico)! We just ask that you buy a wine you'd like to drink in the \$15 or higher price range.

Starting February 24th, you can deliver your wine to the office barrel (it is actually a tub) or drop "Opt-out" donations in the box in the office. We will also be collecting wines and monetary donations at the PTA meeting in March. **Please label your wine with the estimated value to help us accurately value the entire cellar.**

Questions? Contact Georgi Kelly at wineraffle@grattanschool.org

2011 Fun Fest Wine Cellar Opt-out Form

Would you like to participate but are short on time? You can opt-out!

_____ Yes! I'd like to donate a bottle of wine to the Grattan Wine Cellar Raffle, but I'd like someone else to pick it out for me. Please accept my tax deductible \$15 donation instead.

Please make checks **payable to Grattan PTA** and put **Opt-out donation** in the subject line. Place your donation in the Wine Cellar Raffle box in the office.
